All of our food is freshly prepared using locally sourced produce where possible. Dishes are cooked to order, in real time, by a small team so when we are busy there could be an unavoidable delay. We would appreciate your understanding – if you are in a hurry, please let us know and we will do our best to speed things along.

Our food is prepared in a kitchen where nuts, gluten and other food allergens are present. Our menu descriptions do not include all of the ingredients. If you do have a food allergy, intolerance or specific dietary requirement, please speak to a member of staff. Some dishes contain nuts and fish may have small bones. Game dishes may contain shot.
