

STAYING COVID SECURE

We have complied with the government's guidance on managing the risk of COVID-19 and undertaken an assessment for the safety of staff and customers.

- Social distancing to be observed by customers and staff at all times
- Separate entrance and exits points for customers and staff – please follow signage
- Customers, staff and delivery drivers to sanitise their hands before entry
- Multiple hand sanitizer stations positioned at various points throughout the building and outside
- Names and Telephone Numbers will be taken where possible to aid track and trace
- Tables to be adequately spaced in line with government guidelines
- Table service only both inside and outside, no standing at the Bar
- We will limit tables to two households inside and up to six people outside from any household
- Tables to be laid to order once guests are seated
- Menu are single use and will then be disposed of
- Wine Lists will be cleaned before and after use
- Condiments will be cleaned before and after use
- Wine and Water will be placed on the table for customers to pour themselves
- Children to be seated and supervised at all times
- We will regularly clean the card payment machine and telephone
- We will constantly clean all door handles
- We will regularly clean and ventilate all toilets
- If dining outside, we may not have alternative space for you indoors during bad weather
